

On 1/26/11, The Regional Building Commission passed the following resolution...

RESOLUTION 2011-1

Be it resolved by the Regional Building Commission of the Pikes Peak Regional Building Department that the Building Official may, at his sole discretion, set aside out of the operating budget up to THREE HUNDRED TWENTY-FIVE THOUSAND DOLLARS (\$325,000.00) to be used as an incentive program to assist currently licensed contractors with a credit for permit fees based upon previous performance as determined by the Building Official.

This is strictly a credit program, not a rebate. Therefore, the credits can only be used toward the purchase of attached/ detached single family dwelling units and duplexes. The criteria used for the program was based on contractor performance during the period of 1/1/2005-11/30/2010

- Number of units constructed
- Permit fees paid to RBD (Construction Valuation added to community)
- Use of RBD inspection resources
