## Plans Review — Walk Through Review Hours Expanded

---

*Pikes Peak Regional Building Department aims to offer the best and most convenient service at an affordable price to its clientele and citizens. With that in mind, RBD has expanded the hours of “walk-through” plans review for Commercial and Residential Plans. Walk-through plan reviews are open to everyone with limited scale projects and changes to plans that do not require a full plans review, including home owners and contractors with home improvement projects such as basement finishes, decks, etc.*
