

Pikes Peak **REGIONAL** Building Department

Fire Alarm Contractor License Application

Contractors must be licensed by Pikes Peak Regional Building Department (“PPRBD”) prior to consulting for, contracting for, or performing work that requires a permit. Review the type of work to be performed with the contractor descriptions listed below. (Pikes Peak Regional Building Department Code, as amended, Section RBC208)

If necessary, discuss your licensing needs with Colorado Springs Fire Department, Construction Services at (719) 385-5982 + Option 2. PPRBD processes applications, registrations, and certifications on behalf of Colorado Springs Fire Department.

Fire Alarm A (Contractor) (FAC-A)

This license shall authorize the contractor to design, program, install, add to, alter, service, repair, maintain, test, and inspect fire alarm systems, dedicated function systems as well as the necessary control, alarm and detection components of releasing systems and communications methods. The license shall also authorize the contractor to obtain permits from the Fire Authority and to obtain a rough-in permit from the Building Department. (RBC208.4)

Fire Alarm B (Company or Organization) (FAC-B)

This license shall authorize the company, corporation or similar entity to install, service, repair, test and inspect fire alarm systems, dedicated function systems as well as the necessary control, alarm and detection components of releasing systems and communications methods as well as add to or alter non-proprietary fire alarm systems. The license shall also authorize the contractor to obtain permits from the Fire Authority and to obtain a rough-in permit from the Building Department. (RBC208.5)

Fire Alarm Contractor License Application

* * * *

The items listed below are required for consideration of your license application:

- Application form - Must be filled out completely or the application will not be accepted.
- A non-refundable \$50 application/processing fee is due at the time the application is submitted.
*The fee is payable by cash, check, or credit card.
- Copy of current Driver License or photo ID card issued by a state or federal government.
- Attach all licenses, registrations, and certifications held by the company and the applicant.
- Resume (documentation of 5 (five) years' experience in all work areas relating to fire alarm systems).
- Letter from principal, manager, or owner that at least one responsible managing employee (RME) is a permanent, exclusive, full-time employee of the company.
- Liability Insurance Certificate
*The contractor business name designated on your insurance certificate and in your license application must match the Colorado Secretary of State records EXACTLY. If you are contracting for work under tradename(s), the tradename(s) must also be included on your insurance certificate and in your contractor license/registration/certification application, as applicable.

*Required minimum insurance levels are listed in Section RBC201.7 of the Regional Building Code. A certificate of insurance for liability is required for all contractors performing construction consulting or construction work covered by the Pikes Peak Regional Building Code within the jurisdiction of the Department. A certificate of insurance for worker's compensation is also required if the contractor has any employees and is not exempt from the Colorado State Statute requirements. If the contractor is exempt, the contractor must provide documentation from the State of Colorado. When providing certificates of insurance, "Pikes Peak Regional Building Department" is required to be listed as the certificate holder. The Department does not need to be listed as an additional insured.
- Workers' Compensation Certificate or Rejection of Coverage from the State of Colorado. (www.colorado.gov)
- Certificate of Good Standing from the State of Colorado. (www.sos.state.co.us)
- Certification (see certification requirements below).
- See attached Privacy Act Statement.

*Please Note:

A name-based judicial record check will be performed by PPRBD. The name-based judicial record review process may affect when your application will be reviewed by the Fire Board of Appeals.

*Electronic License Applications can also be submitted online at www.pprbd.org/Licensing/Application.

Fire Alarm Contractor License Application

Certification Requirements

PPRBD License Type	Certification
(FAC-A) Fire Alarm Contractor A	Minimum Level III or IV by National Institute for Certification in Engineering Technologies (NICET) or be licensed by the State of Colorado as a Professional Engineer (PE).
(FAC-B) Fire Alarm Contractor B	Minimum Level II or higher certification by NICET or PE license issued by the State of Colorado.

Fire Board of Appeals

The Fire Board of Appeals reviews and grants license requests. The application form, attachment of requirements, and application fee must be complete and reviewed by the Fire Authority before the license request is placed on the Fire Board of Appeals' agenda. The deadline to have the complete application and all required documents turned in is two (2) weeks prior to the Fire Board of Appeals meeting, which occurs on the second Friday of each month.

License Issuance

Within sixty (60) days of the Fire Board of Appeals' decision to grant a license, the examinee must obtain the license. (This license is granted by the Fire Authority and registered with PPRBD.) After sixty (60) days, an unclaimed license is voided and the entire application file is discarded. Work cannot be solicited, contracted for, or performed until the license is issued.

Insurance Requirements

A Certificate of General Liability and Workers' Compensation or Workers' Compensation Rejection of Coverage are required in accordance with the Pikes Peak Regional Building Code, Section RBC201.7.1. (See <https://www.pprbd.org/Licensing/InsuranceRequirements>)

License Fees

License fees are paid before license issuance. Fees are NOT prorated for a portion of the year. The annual license fee is payable by cash, check, or credit card to Pikes Peak Regional Building Department.

(FAC-A) Fire Alarm Contractor A	\$75
(FAC-B) Fire Alarm Contractor B	\$50

License Expiration & Renewal

Licenses are valid for twelve (12) months from the date of issuance and expire on the last day of the month in which the license was issued. The date of issuance does not change regardless of a late renewal or other factors. (RBC201.10.1)

PRIVACY ACT STATEMENT

Privacy Act Statement

Pursuant to 5 U.S.C. § 552a(e)(3), this Privacy Act Statement serves to inform you of the following concerning the collection of the information on this form.

A. AUTHORITY:

Collection of the information solicited on this form is authorized by Title 24 of the Colorado Revised Statutes (C.R.S.), whether or not codified. In general, see C.R.S. §§ 24-5-101, 24-50-1001 *et al.*, 24-72-301, *et al.*, including, but not limited to 24-72-305.4, 24-60-2702. For licensing, certification, or registration functions for any governmental entity, in addition to other authority conferred by law, specifically refer to C.R.S. § 24-72-305.4. For contemplated employment for certain positions with Pikes Peak Regional Building Department where confidential financial and personally identifiable information, as such is regulated by Titles 6 and 24 of C.R.S., may readily be available to a person, the information solicited by the Department is a requirement/condition to employment.

B. PURPOSE:

The primary purpose for soliciting this information is to determine the eligibility of, and whether there exists a law enforcement or security risk in permitting licensing, certification, or registration, or employment, as applicable.

C. ROUTINE USES:

The information solicited on this form may be made available as a "routine use" to other government agencies to assist the Department in making determinations about the person's eligibility for licensing, certification, or registration, as applicable, for administration purposes. The information may be made available to the State of Colorado (specific to any licensing, certification, or registration regulated by it) in the event an application is not approved, so that a determination can be made for issuance thereof.

D. CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION:

Licensing, certification, or registration by the Department may not be issued, or consideration for/an offer of employment with the Department, as applicable, may be terminated by the Department.
