

Pikes Peak REGIONAL Building Department

Building Contractor Changes License Application

Please follow the instructions below to make a change to the Building Contractor's License.

Company Changes Name

A-status permits (Administratively Closed Permits) under the existing contractor ID number must be satisfactorily completed prior to transferring. All unresolved permits under the existing contractor ID number will be transferred to the new contractor ID number.

Insurance - The name of the insured must match the name of the company on your application/license/registration EXACTLY. The name of the insured must include any and all trade names. The certificate holder must be "Pikes Peak Regional Building Department, 2880 International Circle, Colorado Springs, CO 80910." <https://www.pprbd.org/Licensing/InsuranceRequirements> (RBC201.7)

Examinee Changes Company

Examinee changes company is subject to the Licensing Committee's recommendation and approval by the Board of Review. The license will not be issued until after approval by the Board of Review. Payment for the annual license fee (RBC201.10.4; RBC202.6) is due after the Board of Review's approval, but prior to license issuance.

Once PPRBD receives formal notice that the licensee is no longer with the Company and is transferring the license (or for other reasons transfers the license), then PPRBD administratively locks the license and gives the examinee's former company 30 days to call for any inspections for any open and/or A-status (Administratively Closed) permits for work already completed, but not yet inspected. No new permits may be obtained.

A-status permits under the existing contractor ID number must be satisfactorily completed prior to activating a new license and obtaining new permits.

All unresolved permits under the existing contractor ID number will be transferred to the new contractor ID number unless the former company obtains a new examinee who accepts responsibility for the unresolved A-status permits.

Failure to replace the examinee within 30 days from the date of his/her disassociation will result in the automatic suspension of a license.

License Review

The Licensing Committee considers license requests and makes recommendations for approval, conditions, or denials to the Board of Review. All required documents, exam, name-based judicial record review, and application fee must be complete before the license request is placed on the Licensing Committee meeting agenda. The deadline to submit the completed application and all required documents to PPRBD is three (3) weeks prior to the Licensing Committee meeting. The deadline to submit supplemental application documents to PPRBD, including but not limited to additional relevant experience, is ten (10) calendar days prior to the Licensing Committee meeting; any documents submitted to PPRBD past the 10-calendar day deadline will result in the license application remaining in "incomplete" status and its possible consideration at the next month's Licensing Committee meeting. **No exceptions to this requirement shall be considered by PPRBD staff.** License approvals, conditions, or denials are recommendations by the Licensing Committee and must be approved by the Board of Review, which meets the following week.
